Librarians

This is especially true of four-year colleges.

Librarians and Subject Specialists

Consequently, librarians, often called information professionals, combine traditional duties with tasks involving quickly changing technology.

Librarians

Often, these librarians do not deal directly with the public.

Watch The Librarians

If you loved the first Librarian movie, you will love this show. During this time, library services were in high demand as patrons were stuck inside during quarantine, but with limited building access, most public library patrons switched to digital content, online learning, and virtual programs. Librarians and library media specialists help patrons research topics efficiently.
