List of Useful Colonial English Resources

ENGL BC3190 Global Literature in English. BC: Fulfillment of General Education Requirement: Historical Studies HIS.

Theories in Cultural Studies

The concept of neighborhoods in cities has had many meanings and understandings over time. This class explores how racism and racialized capitalism and politics shape the distribution of material resources among cities and suburbs in metropolitan areas and the racial and ethnic groups residing in them. Prerequisites: Students must attend first day of class and admission will be decided then.

Nooter Collection

The three courses must be selected from three separate disciplines and they must appear on the Urban Studies approved list to fulfill the 'A' requirement for the major if a course does not appear on the list that you believe should, please contact the Associate Director.
