Maggie and the Inconvenient Corpse by Barbara Cool Lee, Paperback

Imagine this scenario: You wake up feeling rough after yet another hard night's drinking.

Maggie and the Inconvenient Corpse by Barbara Cool Lee

She knew he was dead because his skin was the color of concrete. You shouldn't be asking us ppruners how to sort your mess out!! We take abuse seriously in our discussion boards. But that said, I would actually recommend this book as a very light read.

Pretty Sinister Books: FFB: The Inconvenient Corpse

She's the only character in the bunch with spice and life in her and we wish she would have had the chance to hang around longer, stir up a lot more trouble, before someone decides to send her to the Theater of Heavenly Footlights. He has also reviewed five of her books.

Jackie King (Author of The Inconvenient Corpse)

Grace Cassidy stared at the stranger's body. But before I knew it the story had captured me and I was glad I stuck with it to the end.

Maggie and the Inconvenient Corpse by Barbara Cool Lee

Unable to decide what to do, the ladies try to hide the body. Maggy is very much modeled on the kind of protagonists we find in Eberhart's novels of women in peril, drawn to a man suspected of murder and eager to clear his name.

Maggie and the Inconvenient Corpse by Barbara Cool Lee

Special mention for Collie dog Jasper! Although I'm a crime writer myself and Jackie King told all, I truly didn't guess who the This book is a delight. Her overly cautious nature will complicate matters for Sebastian who is suspect number one with the police as well as the rest of the reunioin group.
