They can be great sources for advice about teaching.

Questioning Techniques

You will eliminate the difficulties in the future if you set your rules at the beginning. If the disagreement is serious, or the problem cannot be resolved, it may be best to terminate the meeting. Stillwater, OK: New Forums Press.

Teaching suprasegmentals to international teaching assistants using field

Women faculty at work in the classroom, or, why it still hurts to be a woman in labor. If you are assigned to run a discussion or give a lecture, you may find it helpful to develop a systematic outline of your lecture or the main issues and questions to be discussed.
