Vacher's Quarterly

A standard fan of ostrich feathers of the Indian murchal type is fixed in the bow of the boat bearing the god in his ark, and a semicircular standard fan in the stern; both being inclined so as to meet above, and overshadow the ark. This form appears to be ubiquitous; it is common, not only to primitive peoples, but also to the more civilised countries of the East. In the case of the English Colonies along the Atlantic coast it was held by the holders of the charters that the frontage of the seaboard carried with it the strip of land all the way across the continent.

European lobbying lessons for charities

Japanese War Fans, Gumbai Uchiwa. The desperate condition of their affairs accounts for the memorials presented to the British Government by the Company in 1700 and in the succeeding year, by which they expressed themselves as satisfied to give the French the southern portion of the Bay from Rupert's River on the east and Albany Fort on the west.
