Iran and the Changing Military Balance in the Gulf

Military doctrine can periodically be used to rationalise force posture which is seen as primary; developments in military technology may provide a guideline for changing force posture; or doctrine and posture may continuously mutually influence each other. Two exceptions to this rule deserve special note. A second exception, which may occur during an extended crisis, occurs when one side has won the race to mobilize fully but delays its attack, allowing the opponent time and opportunity to improve its own preparations.

Russian Threat Perceptions and Security Policies: Soviet Shadows and Contemporary Challenges

An unmistakable tendency may be discerned to reach a compromise solution and balance amidst the conflicting schools of foreign policy thought. However, except for doctrine at the tactical level, military doctrine is obviously still in a state of development.

Iran and the Changing Military Balance in the Gulf

What we have in the Joint Doctrine is a joining of the three service doctrines wherever feasible and could be called Joined Doctrine.

Military Doctrine

Valery Manilov, who was also associated with the making of the 1993 military doctrine, was reported to have remarked that Russia may use nuclear weapons if its existence as a state, its independence and territorial integrity are threatened by nuclear, non-nuclear or any other state. Reflecting this change the military doctrine underscored Russia's 'special interests' and peacekeeping role in the 'near abroad'.

Revised doctrine prepares Soldiers for changing global threats

While these non-State actors have not been specifically named, it is apparent they have in mind the Tehrik-e-Taliban Pakistan TTP , the anti-Shia Lashkar-e-Jhangvi LEJ and the Baloch nationalist elements which are waging a struggle for Baloch independence. The first side to lose its command, control and communications may also lose its combat stability and thus, its ability to fight a war with small unit cohesion and combat system interdependence. THE CONCEPT OF MILITARY DOCTRINE The term strategy is, in certain usages, still seen as the equivalent of doctrine.
