**Gustav Stickley: Craftsman Homes**

How many of us would dare to rise up and assert sufficient individuality to plan and build a house that exactly suited our personal ideal of comfort and beauty, and represented our station in life? The bonus came as I discovered a wonderful collection of floor plans, pictures of both interior and exterior treatment and detailed depictions of related furniture.

**Craftsman homes : architecture and furnishings of the American arts and crafts movement : Stickley, Gustav, 1858**

While Craftsman homes feature large bay or picture windows to let in natural light, they can feel somewhat dark by contemporary standards. I have read, cover to cover and have revisited specific book marked sections several times already. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Craftsman Homes**

A Craftsman home is solidly made with natural materials and motifs, with a focus on the beauty of artisanal craftsmanship. This edition reprints that beautiful work, originally published in a private edition on The Craftsman's own press. It was a backlash against the mass-produced, Industrial Revolution-fueled architecture boom that prized ornament and decoration made all the more accessible by new technologies.

**Dover Architecture Ser.: Craftsman Homes : Architecture and Furnishings of the American Arts and Crafts Movement by Gustav Stickley (1979, Trade Paperback, Reprint) for sale online**

They typically incorporated Prairie School motifs such as geometric art glass in banded windows, low-walled stoops, and stylized façade ornaments. Frank Lloyd Wright was one of the most prolific and significant architects of the 20th century.

**History of the Craftsman Movement**

We want a hand in the government, national or local. British architects and toured America extensively and brought their ideals through lectures

and programs within local societies.

### **Gustav Stickley: Craftsman Homes**

The easy reading flows seamlessly from page to page. An American Foursquare, in Massachusetts. Even at the turn of the 20th century American culture was vastly different than what you would find in the UK.

### **History of the Craftsman Movement**

He went on to sell furniture, house plans and household goods by mail order catalogue. He designed furniture and decorative art pieces with inspiration from nature, they featured bold color and simple lines. William Morris, who was heavily influenced by Ruskin, became the figurehead of the movement.
