Following the great triumph of French , Munch took up the more graphic, symbolist sensibility of the influential , and in turn became one of the most controversial and eventually renowned artists among a new generation of continental and painters.

## **The Art of Edvard Munch / AvaxHome**

As his fame and wealth grew, his emotional state remained as insecure as ever. Munch's tribute to his father is composed of a darkened, seemingly hallowed room bathed in crepuscular light, indeed a space occupied only by shadows and stillness. Within a decade, Munch's favorite sister, Sophie, just one year his senior and a gifted young artist, also died of tuberculosis.
