## Showbusiness (Hairy Maclary and Friends)

It comes as no surprise that, as a child, she adored Dr Seuss because of his 'crazy sounds and the fact that he took such liberties with the English language.

Mischiefous illustrations and rhythmical text by award-winning Lynley Dodd ensure Hairy Maclary's huge popularity and lasting appeal and make these stories a favourite for all! When Hairy Maclary bounces and pounces his way into the cat show, his flustering and blustering brings a very unexpected result. Hairy Maclary finds a variety of cats to chase, until Scarface Claw bothers and bustles him, rustles and hustles him, races and chases him all the way home.
