Farmers' pest management and rice production practices in Cambodian lowland rice.

## Woodcarving Illustrated Issue 57 Holiday 2011

If unaddressed, these do not bode well for the future of Nigeria or an oil-hungry world. The missionaries, both Romanists and Protestants did all that was possible to give men the type of education that resulted in moral values and dignity. The local government areas without oil facilities appear to fare better on the poverty index than those with oil facilities; an indication of unequal distribution of oil revenues.
