This article is of interest to the following : This article is within the scope of , a collaborative effort to improve the coverage of the movement on Wikipedia. It is difficult to contest the judgment that Dresden and Nagasaki were war crimes, tolerable in retrospect only because their malignancy pales in comparison to Dachau, Auschwitz and Treblinka.

and by Waldemar A. Solf

This short analysis, written in 1970 just after the My Lai massacre was reported and while the American incursion into Cambodia was fresh news, should be required reading for anyone interested in the morality of war. At the time, many refused to serve in Vietnam on the grounds that their complicity in what they viewed as an illegal war made them, by implication, guilty of. When I was a child, I discovered it when I was in the library, during elementary school.

Nuremberg And Vietnam: An American Tragedy by Telford Taylor

The Nuremberg Trials, for which Taylor served as a leading figure, gave rise to several developments in regard to international law as applied to warfare. Thus, the blanket of that protects soldiers from being held criminally responsible for murder committed during the course of warfare had to be carefully balanced so as to discourage wartime atrocities.

and by Waldemar A. Solf

I assume it was controversial. At times, this book felt like a futile effort.
