Wages of Affluence: Labor and Management in Postwar Japan, by Andrew Gordon. Cambridge: Harvard University Press, 1998, xii + 270 pp., \$36.95 (hardcover ISBN 0-674-80577-1)

Cambridge University Press is committed by its charter to disseminate knowledge as widely as possible across the globe. Indeed, the control for the workplace spilled over into the home, the streets, the courts and even the arena of international relations.

The Wages of Affluence : Labor and Management in Postwar Japan by Andrew Gordon (1998, Hardcover) for sale online

He has been a member of the Northeast Asia Council of the Association for Asian Studies 1994-97 and the Joint Committee on Japanese Studies of the Social Science Research Council and the American Council of Learned Societies 1994-1996. This is a major achievement, and confirms Andrew Gordon's place as a truly outstanding scholar of Japanese labour history. Managerial hegemony was achieved only after a bitter struggle that undermined the democratic potential of postwar society.

Wages of Affluence: Labor and Management in Postwar Japan by Andrew Gordon

This industry was the centre of the country's economic recovery and high-speed growth, a site of corporate managerial strategy and important labour union initiatives. Cambridge Journals publishes over 250 peer-reviewed academic journals across a wide range of subject areas, in print and online. Of course it destroys any beautiful fairy tales of an essentially and traditionally harmonious relationship between labor and management in Japan.
