

Safety of computer control systems 1983 (SAFECOMP 83) - achieving safe real time computer systems : proceedings of the Third IFAC/IFIP Workshop, Cambridge, UK, 20-22 September 1983

Published for the International Federation of Automatic Control by Pergamon - Computer Safety, Reliability, and Security: 19th International Conference, SAFECOMP 2000, Rotterdam, The Netherlands, October 24

Description: -

- Automatic control -- Data processing -- Safety measures. Safety of computer control systems 1983 (SAFECOMP 83) - achieving safe real time computer systems : proceedings of the Third IFAC/IFIP Workshop, Cambridge, UK, 20-22 September 1983

- Studies in classification, data analysis, and knowledge organization IFAC proceedings series Safety of computer control systems 1983 (SAFECOMP 83) - achieving safe real time computer systems : proceedings of the Third IFAC/IFIP Workshop, Cambridge, UK, 20-22 September 1983

Notes: Includes bibliographies and index.

This edition was published in 1983

Professor Lorenzo Strigini

PostDoc positions: ETL accepts postdoctoral research fellows from all over the world. ICRA 2013, IEEE 2013 14-11.

Towards a framework for certification of reliable autonomous systems

Richard Lawrence , 1953Idylls 884. Bjørn Axel Gran and A.

Towards a framework for certification of reliable autonomous systems

Also published as NASA Contractor Report 201729. Author: Farrier, Jasmine, 1970- Lexington, KY : University Press of Kentucky, c2010.

SAFECOMP '93

I did disassemble this arm, and there are SEVERAL layers of geardown involved.

School of Computing Science : Brian Randell Publications

The papers were carefully selected by the International Program Committee of the Conference.
