Other factors responsible for the growth of white collar unionism are discussed below. Thus at the same time as pursuing negative policies on the employment of women, individual unions and the TUC were actively involved in recruitment campaigns.

Recruitment

Unions are thus an intermediary institution that provides a necessary complement to legislated benefits and protections.

Trade union strategies to recruit new groups of workers

Two important instances of such a development can be found in France and Italy in the late 1960s and early 1970s.
