Using Talk to Support Writing

For the activities to be both short and effective, it helps to have a very clear lesson objective. If possible, arrange your children in small teams of three or four and give each team a name. The teacher should practice the 3 R's: Respect, Responsibility, and Reciprocity.

7 Classroom Management Challenges and How to Overcome Them

Hold monthly conferences with students to discuss their work habits, motivation, behavior, etc. That means only a few children will be standing up, plus you will gain time since you will not have to be handing out and collecting all the material yourself. BOASTFUL, ATTENTION-SEEKING STUDENT What can be done for a student who is constantly disrupting the class in order to gain the teacher's attention? If a child communicates with you by calling out, make your only reaction one of displeasure and do not answer the question or fulfill the request.
