How to Refinish Furniture

Place plastic trash bags or newspaper on top of the stripper to help keep the stripper from drying out. Removing paint from cabinets, or any wood furniture, requires patience.

How to Refinish Antique Furniture: 11 Steps (with Pictures)

Be patient and let it do the work for you. Use a brush to apply an even coat of the wood stain you have chosen.

How to Refinish a Hardwood Floor

Many mistakes happen as a result of jumping into the refinishing project too hastily without getting a good idea of what is needed regarding material, time, and the proper steps to be taken.

How To Strip and Refinish Furniture

Decide whether the old finish should come off or if a thorough cleaning will do.
