### Pirates & Privateers: Medicine at Sea

The exact reason why surgeon leap remains unknown, although some scholars believe leaping is a form of group communication.

### Ship Crew

The task was most painful to behold, the surgeon using his knife and saw on human flesh and bones as freely as the butcher at the shambles.

### The National Archives

It had taken the amateurs about two and a half hours for an operation ordinarily requiring forty-five minutes. If the ship possessed a , the captain designated someone to tend patients. GGA Image ID 11771e1dbd The crew of a ship are the heart and soul of the ocean liner.

### Surgery at Sea: Exploring the Training Gap for Isolated Military Surgeons

As for their education, in the late 18th and into the early 19th century, many surgeons had practical training at medical schools. In this state he lived near two hours, perfectly sensible and incessantly called out in a strong voice to me to assist him.... Drake: The Life and Legend of an Elizabethan Hero.

### Pirates & Privateers: Medicine at Sea

Migrant labourers, convicts, emigrants and slaves all suffered from diseases during long voyages, affected by the unhealthy environment of vessels. All treatments are administered by our very own Med-Spa Physician, a licensed medical doctor, and have proven to be consistently popular with our guests.
