## InGra De

The third defect, he was ambitious, and accordingly, he had expectation of obtaining an advantage from those by whom he was incited to write evil concerning Ireland: and, moreover, on his having subsequently become a priest, he promised to recall most part of the contemptuous things he had written concerning Ireland, and I hear that it is now in print, to be exhibited in Ireland. Tá leaganacha breátha tugtha sa fhoclóir nua seo i sraith mhaisiúil an Ghúim, 'Nua-Théarmaíocht na Gaeilge'.
