Supporting People with Profound & Multiple Disabilities

Tizard Learning Disability Review, 1 4 , 23-26. Supporting Social and Emotional Wellbeing The importance of living a meaningful life: supporting social and community participation and inclusion; developing and maintaining friendships, and; enhancing life opportunities.

Multiple Disabilities Resources

Doing nothing and hoping the matter will go away is irresponsible. Conclusion and comment From the above findings, the authors make some specific recommendations for training development for each of the five themes, where better collaboration between disability services and generic health services to coordinate training opportunities is suggested, which is entirely in line with UK policy.

Multiple Disabilities Resources

Teaching daily living skills to seven individuals with severe intellectual disabilities: A comparison of video prompting to video modeling. The objective of the research was to help produce evidence-based guidelines on caring for this group of people and thus improve care standards.

Supporting People with Profound & Multiple Disabilities

Abstract This paper gives a description of the support needs of people with profound multiple disabilities PMD , based on the five basic dimensions of the 2002 AAMR System, being intellectual abilities, adaptive behavior, participation, interaction and social roles, health and context. This book lays out that complexity in a clear and accessible way and will hopefully go a good way to ensuring that people new to caring for people with profound and multiple learning disabilities begin with a solid foundation of knowledge and understanding.

Education for People with Profound Multiple Disabilities Research Papers

People with profound intellectual and multiple disabilities have a right to be included in society under the UN Convention on the Rights of Persons with Disabilities. Sexuality: Your Sons and Daughters with Intellectual Disabilities by Karen Melberg Schwier and David Hingsburger is available used at Amazon. In all I do I am working to contribute to a future where people are understood in spite of their differences.

Education for People with Profound Multiple Disabilities Research Papers

That title might not sound exciting and the link with my improvised massage tools might not be immediately apparent but I promise you the link is there and the document is very exciting indeed. It was written by a team of volunteers over 140 strong over an 18 month period. Caring for them effectively can be complex and support can be hard to find.
