### **Double Fudge (Fudge, #5) by Judy Blume**

She claimed at the beginning of the book that she was only moved to revive the Fudge series because she'd promised her grandson she would if she ever got a really great idea. Peter also told Jimmy the time he moved to Princeton, New Jersey and moved back to New York. I am so glad that I got to learn more of the Hatcher story in the later books.

### **Double Fudge (Fudge, #5) by Judy Blume**

You'll be in stitches reading Double Fudge! Then, Fudge wanted to have his own bank. The two branches of the family run into each other in D.

### **Double Fudge by Judy Blume: 9780142408780**

The Hatcher brothers are back for yet another crazy adventure. Bye, Fudgie, I will miss you! This may be me second favourite. The paperback edition contains an after-story interview with , who claims she has no definite plans, but may write yet another Fudge story, which, as of May 2021, has not come to fruition.

### **Double Fudge Poke Cake Recipe**

But even with my rather majorly low expectations, I really did not expect to so vehemently despise Judy Blume's presented narrative, I did not really expect to be rating her Double Fudge with but one grudging star and to very easily and readily consider it the absolutely poorest Judy Blume novel I have read to date.

### **Double Fudge**

I read this during a train journey and frightened my co-passengers by laughing out loud, and my husband and son were nonchalantly sitting with an ever tolerant expression on their faces.

### **Double Fudge book by Judy Blume**

In the story, Fudge is five almost six and Peter is in 7th grade. This book refers to events in previous books, so I am glad we read them in order. Instead of Fudge losing his interest in money as his family hoped, his obsession grows even more.

### **Double Fudge — Reader Q&A**

Made the mistake of giving Fudge a funny voice, which they then demanded I use across all 5 books. Short Book Summaries Sites with a short overview, synopsis, book report, or summary of Double Fudge by Judy Blume.

### **Double Fudge Summary and Analysis (like SparkNotes)**

Who in this book do you think has the right idea about the value of money? He is always talking, singing, counting, or trying to acquire money. There's even some adult humor in it.
