## **Islam obscured ? Some Reflections on Studies of Islam & Society in Southeast Asia**

The idea of the journey implies that one knows where one is going, but my journey was a series of accidents. South Africa remains caught in a tight web of international agreements and conventions which make up the textual universe of a new legal positivism.

### **Law and Society**

Australian society has developed a diversity of ideas, values and expectations.

## **Some Reflections on the Relationship between Citizenship, Access to Justice, and the Reform of Legal Aid, Journal of Law and Society**

Presidential address—postmodernism, protest, and the new social movement.

## **Islam obscured ? Some Reflections on Studies of Islam & Society in Southeast Asia**

The bureaucratic nature of state-led development undermined the rule of law. Trainee accredited paralegals are expected to meet these after one year. Those same anxieties continued to bother me during at least the first half of my professional career as a practising lawyer.

## **Do our existing laws reflect the values of our society or are they a reflection of the government's concerns?**

Rules versus Relationships: The Ethnography of Legal Discourse. Representations of history always have a function.
