Several animal species have been hunted to endangered levels because some part of the creature was deemed to be valuable. Author: Publisher: ISBN: NYPL:3343306643192 Category: Yachting Page: View: 912 Categories: Yachting In the midst of the dilemma , Captain Doleful's anxious mind , quickened by self interest , hit upon a gentleman made for the place - rich as Cræsus , a keen and scientific sportsman - an out - and - out lover of hunting - every thing in fact that.

**The Delights and Dilemmas of Hunting:... book by Forrest Wood Jr.**

As far as hare hunting is concerned, hares are on the decline due to changes in modern farming methods. Hunting helps to reduce population levels, which may also be a factor in reducing overall accident levels. The hunted animal can be chased for long distances by hunts, maybe for ten or more miles.

**The Main Arguments for and Against Hunting**

Should the animal continue living, that suffering could be prolonged for an unknown period.

**The Delights and Dilemmas of Hunting : The Hunting vs Anti**

Furthermore, no pack animal will chase an animal the size of a fox for the length of time a hound pack chases a fox. The Endangered Species Act has provisions that allow the hunting of even the most endangered animals if it is done through legal channels.

## **The Delights and Dilemmas of Hunting : The Hunting vs Anti**

It should prove to be quite an interesting program
