## Operational accidents and radiation exposures at ERDA facilities, 1975

That trend did not get under way until well after the underground atomic blast vented radiation in 1961. Two months later the last nuclear weapons test occurred in the Marshall Islands. He said little about the nuclear tests.

### Exposure to Radiation during Military Service

He declined to discuss past cover-ups and coercion directed against him. Deseret News, January 27, 1979. Things we know are untruths.

### Chapter 4: Continued Testing: Tragic Repetitions, OUR 1982

Exactly as they did in the 1950s, officials refuse to reveal information necessary for those who live near radiation accidents to protect themselves.

### Operational accidents and radiation exposures at ERDA facil..

But the two widows had meager financial resources to use against a courtroom adversary with virtually unlimited funds.
