## Craigcrook Castle

In common with most forthcoming young radicals of the time, he found the causes of iniquity, political, social and religious, defined in the writings of Thomas Paine, William Howitt, and the French Republicans Constantin de Volney and Louis Blanc.

## 190: Gerald Massey

He was listed as a M. The metaphor crystallizes that sense of a failing off of political activity: There's little left us now, Old Friend, To cheer the Patriot's heart. His interest and research into Shakespeare's Sonnets and psychic themes continued into the origins of myths and religions resulting in a number of books on the subjects.

## Gerald Massey

He added, sharply, that it would be admitted by those most conversant with the estate of Tring itself that its morals were better now than they were before the establishment of the mills.

## 190: Gerald Massey

John Mead : miller, farmer and merchant of Tring, Hartsfordshire 1846-1937: an autobiography. He then returned to the shop for further deliveries, or to clean until further items were ready.

'Gerald Massey: Chartist, Poet, Radical and Freethinker'.

Equally tellingly, the desired transformation is achieved without apocalypse or rupture. As an author and lecturer on poetical personalities and English literature, he suffused a dynamic realism that captivated his audiences.

## **190: Gerald Massey**

Indeed, between 1849 and 1851, Massey became the most published Chartist poet in the Northern Star's Poetry Columns. Alfred Tennyson, John Ruskin and Thomas Carlyle were sent copies and responded with comments.

### **A Book of the Beginnings**

Béranger was published in English in 1837.

### **A Book of the Beginnings, Vol.2**

The majority of customers required their goods to be delivered, some to quite a distance, and within that same day. After enjoying years as a popular journalist and poet, intellectual and freethinker Gerald Massey turned his vast studies in the field of Egyptology into A Book of the Beginnings, a bold statement that the origin of all civilization lays in ancient Egypt. In Westminster, cellars were flooded by sewage water.
