How to Budget Your Money

That said, we also went to a financial adviser after the class, who helped out a TON with a personalized plan, and we don't do all Dave Ramsey stuff now because we've got other things going on with our adviser whom we trust.

How to Survive a Personal Financial Crisis (with Pictures)

Make sure your goals are Specific, Measurable, Attainable, Rewarding, and Time-based. These plans can also help you with your finances by prioritizing your goals, as it is often more effective to focus on one or two financial goals at a time.

How to Write a Personal Financial Plan (with Pictures)

Many experts recommend saving for at least six months of living expenses to ensure financial stability without depending on credit cards. A perfect plan should take into account your viewpoints and goals about your money.

Personal Finance: The Complete Guide

Find ways to relax and unwind.

How to Budget Your Money

Without assigning a value to a goal, it's also difficult to know if you're making progress. Often, these are month-long periods of curtailed spending that make exceptions only for essential spending categories, such as food, transportation, and recurring bills.

How to Budget Your Money

Start by listing all of your current debt, be it credit card debt, student loan debt, or a car loan, and figure out the minimum amount you owe to remain current with each one.

How to Write a Personal Financial Plan (with Pictures)

Our goal is to give you the best advice to help you make smart personal finance decisions.
