Formula Atlantic

US manufacturer came to displace the British imports and dominate in North America. The first professional races run under Formula Atlantic rules in North America were conducted in 1974 by the CASC in Canada now ASN Canada , drawing much attention and large fields due to its national television coverage. When the FB series became Formula Atlantic in 1974, I was a popular series for those looking to move onward and upward.

But it takes a lot of time and expense to turn photos into articles, and to publish them on the internet. This car was originally raced in Europe but arrived in the USA in the mid 70's being raced in SCCA club events.

US & Canadian Formula Atlantic

The trouble is there are no parts and no one willing to finance such an endeavor and push its envelope. This car was last used as decoration piece in a restaurant. Also gradually piecing together British FAt.
