### Legal Profession Statistics

Study Findings in Brief The findings presented in this report add important, new insights to the growing body of literature on the justice gap.

### Data

The datasets are updated when new survey plans are recorded in the Canada Lands Survey Records CLSR. However, this group of representatives was also the most likely to recommend withdrawing the case. To compute this estimate, the ratio of the estimated number of persons with incomes less than 125% of FPL to Persons with incomes less than 100% FPL was applied to the total number of veterans below 100% FPL to estimate the number of veterans below 125% FPL.

### Sec. 82.67 MN Statutes

Questions can cover topics related to accessibility, response time, clarity of communication, or training on rules and regulations, as a few examples. Individuals coming to LSC grantees with problems were grouped into three main categories: unable to serve, able to serve to some extent but not fully , and able to serve fully. Civil legal problems related to wills and estates affect 9% of all low-income households.
