Costume is very important to any film because it brings representation to the film. The members in the original footage were not available on certain days. It was set up like a school with bunnies in it.

Library Databases, A

A representation of something that does not exist. In some portions of the video, I was looking at my laptop screen.

US State Standards

We were getting all upset because of how many takes were put into getting one scene down. Common angles used in Noir are low, dutch and high angles. There is a global pandemic going on at the moment.

University A

The common sounds that we hear in horror which include ambient sound and different sound systems that help create the creepy sounds we hear. We did that so we could edit the video. I liked the plot of the movie.

University A

I loved the suspense of the movie. Literally the 'thing that pricks us'! Since its first publication in 2012, the dictionary has been updated to incorporate over 40 new entries, including computer games and film, disability, ecocinema, identity, portmanteau film, Practice as Research, and film in Vietnam. That was because I wanted everything to be perfect.
