### The Earthly Recordings of Sun Ra: Second Edition

Seat-belts in place, it's time to explore the strange, wonderful omniverse of the man born into this world a hundred years ago as Herman Blount.

**'Like many African American musicians, Sun Ra fantasised about Africa,' says writer Joseph Ghosn**

For decades, very little was known about Sun Ra's early life, and he contributed to its mystique. In fact, more broadly, he would go on to inject his political activism into his approach to music.

**'Like many African American musicians, Sun Ra fantasised about Africa,' says writer Joseph Ghosn**

High praise, however, came from two of the architects of bebop. Though departed Earth in 1993, his music has continued to thrive, first under the stewardship of and, since 1995, by the remarkable who turned 96 in May 2020. Some of these sessions used only two mics for a large ensemble.

### The Earthly Recordings of Sun Ra (2nd edition) By Robert L. Campbell a

Blount became a regular at Birmingham's Forbes Piano Company, a white-owned company. In 2009, they performed at Philadelphia's in conjunction with an exhibition that explored the intersection of the Arkestra's performing legacy and the practice of contemporary art.

### Sun Ra

They wanted to talk with me.

### Sun Ra Arkestra: Swirling album review @ All About Jazz

While he stayed busy with numerous gigs, he also bought himself enough time to put together the first incarnations of the Arkestra. They also found a dance studio called the Choreographers Workshop where they could rehearse and make home recordings—many of which were issued on Saturn—which resulted in this period of time being particularly well-documented.
