A Sense of the Future: Essays in Natural Philosophy by Jacob Bronowski

Clearly, his interests ranged far beyond this area, and in many directions. Clearly, his interests ranged far beyond this area, and in many directions. Anti-intellectualism and fear of science are as popular as ever.

A Sense of the Future: Essays in Natural Philosophy

These values are requirements for scientific truth-seeking and, in this way, Bronowski hopes to lay the foundation for a modern-day rationalism that breaks from religious or otherwise dogmatic thought systems that tell people how to think. Bronowski ; selected and edited by Piero E.

A Sense of the Future: Essays in Natural Philosophy ... (0262520508) by Bronowski, Jacob

He did not talk down to them; he knew how to talk them up to something near his own level, however briefly.

A Sense of the Future: Essays in Natural Philosophy by Jacob Bronowski

Among the subjects within the realm of Bronowski's mind that are presented here are the limitations of formal logic and experimental methods, the epistemology of science, the distinctive nature of human language and the human mind, and the bases of biological and cultural evolution. Between them lie everyone else with shades of one or the other, in varying degrees, that are expressed differently according to situation.

A sense of the future : essays in natural philosophy / J. Bronowski ; selected and edited by Piero E...

A Sense of the Future succeeds brilliantly in this respect, in part because it is a collection of essays that can be read independently as self-contained, delimited presentations; and in part because the book is more than the sum of these individual essays--it is a unified whole in which Bronowski's most abiding concerns are interrelated, juxtaposed, and tested for consistency in various intellectual contexts.

A Sense of the Future : Essays in Natural Philosophy by Jacob Bronowski

The same anti-science, primitivist desires that fed the rise of the Nazi philosophy live on in various cults and philosophies in modern, liberal democracies- as they did in Weimar in the 1930s. Still, the book's diversity of topics is as striking as the unity of its aim.

A Sense of the Future: Essays in Natural Philosophy ... (0262520508) by Bronowski, Jacob

But at the other pole, lie those whose sole motivation is self-advantage regardless of the impact on others or on the whole. A sense of the future : essays in natural philosophy.

A sense of the future : essays in natural philosophy / J. Bronowski ; selected and edited by Piero E...

Ha interaktív könyv lenne, biztosan feltennék kérdé Bronowski professzor három rövid téTELben oktatja a hozzá hasonló mezei laikusokat: 1.
