Persecution of Falun Gong

Some international observers and judicial authorities have described the campaign against Falun Gong as a.

CNN Video Experience

There are reports of systematic torture, illegal imprisonment, forced labor, and abusive psychiatric measures, with the apparent aim of forcing practitioners to recant their belief in Falun Gong. Two days of torture had left her legs bruised and her short black hair matted with pus and blood. Those who refused to disavow Falun Gong were subjected to torture and sent to reeducation through labor facilities.

Persecution of Falun Gong

He gave in to the guards' demands. Posters, leaflets and videos were produced detailing the supposed detrimental effects of Falun Gong practice, and regular anti-Falun Gong classes were scheduled in schools.

CNN Video Experience

The overseas campaign against Falun Gong is described in documents issued by China's OCAO. International response The persecution of Falun Gong has attracted a large amount of international attention from governments and non-government organizations. Two years later authorities in Shanghai detained over 100 practitioners ahead of the 2010 World Expo.
