## 2021 SMU Meadows Music Educators Workshops

The authors have made certain there isn't a stone unturned, and we are the benefactors of their extensive and definitive writing. Through these combined lessons, a student naturally progresses into a mastery of sight reading and ear training.

### Four Effective Music Teaching Strategies for Today's Diverse Classrooms

**Lesson Summary** Let's take a moment to review. She encourages music educators to reflect on their practice and through this reflection take steps toward self-improvement. Emile Jaques-Dalcroze, a Swiss educator, developed the method to teach rhythm, structure, and musical expression through music and movement.

### Four Effective Music Teaching Strategies for Today's Diverse Classrooms

The left side of the brain is better developed with music, and songs can help imprint information on young minds.

### MUSIC AS A TEACHING TOOL

The author regards music teaching as interrelated with the rest of lived life, and her themes encompass pedagogical skills as well as matters of character, disposition, value, personality, and musicality.
