### Eastern Orthodox Church

The and the liturgy in , also called , were declared official in in 893.

### What is Orthodox Christianity?

The sole head of the Church is Christ. Main article: Orthodox Christian anthropology teaches that man was created by God to worship him in communion with him, made in his image to attain to His likeness.

### Orthodoxy

One exception to this rule is the clergy and their wives. By learning to temper this basic desire of the body, the practitioner can more readily temper other worldly desires, and thus, become better enabled to draw closer to in the hope of becoming more. Each regional church consists of constituent eparchies or, dioceses ruled by a bishop.

### Eastern Orthodoxy Origins, Eastern Orthodoxy History, Eastern Orthodoxy Beliefs

The Patriarch of Constantinople has the honor of primacy, but his title is only first among equals and has no real authority over churches other than the Constantinopolitan and set out prerogatives interpreted by the ecumenical patriarch, though at times the office of the ecumenical patriarch has been accused of Constantinopolitan or Eastern papism.

### Public Orthodoxy

This is why after an ordination is complete, the word! Its ideas refer to - but are so independent from - the philosophies of that time, as though it were written today looking back on them rather than their contemporary. The Eastern Orthodox Church claims that it is today the continuation and preservation of that same early church. The church proclaims the Holy Spirit maintains the unity and consistency of holy tradition to preserve the integrity of the faith within the church, as given in the scriptural promises.
