Basically, the consequence is that there is only one center of power: the White House. Beller: Christian nationalism has impacted voting in at least two ways. Although scholarly debate continues about the exact causes of the Revolution, the following reasons are commonly adduced: 1 the resented its exclusion from political power and positions of honour; 2 the peasants were acutely aware of their situation and were less and less willing to support the anachronistic and burdensome feudal system; 3 the philosophes had been read more widely in France than anywhere else; 4 French participation in the had driven the government to the brink of; 5 France was the most populous country in Europe, and crop failures in much of the country in 1788, coming on top of a long period of economic difficulties, existing

Without naval support, the plan collapsed, and American forces under Sullivan had to conduct a fighting retreat alone. Because of an insuppressible slave rebellion in , modern-day Haiti, among other reasons, Bonaparte's North American plans collapsed. Some of these continued in the service of kings and princes in Europe; others conducted enterprises against the Spaniards in the West Indies and along the Spanish Main; while still others, such as John Smith and Miles Standish, became pioneers in the work of English colonization.

The fort was named in honor of then a Catholic statesman, who about a year later would become a Huguenot , an admiral who supported the expedition and would use the colony in order to protect his co-religionists. Verrazzano gave the names Francesca and Nova Gallia to that land between and English Newfoundland, thus promoting French interests. The British Prime Minister agreed.
