## Reassessing the House of Lords: Why the Lords Should Remain Unelected

A jurisprudence of originalism will at least ensure that judges are focused on the right discussion—what the Constitution of the founders requires relative to a given case—even though it cannot ensure that everyone will reach the same or the correct conclusion once engaged in that discussion. The distinction between the written and unwritten constitutions is not scientific. While it may be difficult to create a comprehensive definition, Smith 1990 defined liberalism as individuals who are reformist, democratic, libertarian, humanitarian, egalitarian, and permissive.

## The British constitution, devolution and “doublethink”

He defined monarchy as a rule by a virtuous man and considered it as the best form of constitution. In fact, many political parties use their own ideologies when campaigning for office in order to display a better understanding of what they visualize as their potential political agenda.

If the bill has started in the Commons, it will then go to the House of Lords for its first reading there and the same procedure then occurs.

## Reshaping the British Constitution

Nonetheless, it may also be the case that faithful constitutional interpretation requires turning aside the preferences of current legislative majorities. Constitutional reform reshaping the british political system brazier rodney the book provides detailed coverage of british constitutional reform in the early twenty first century and whilst aimed primarily at students of constitutional law politics and government it will also be of interest to the general reader. We should take heed of what James Madison and John Marshall, James Iredell and James Wilson said about written constitutions and judicial review not because they have special authority to tell us how the Constitution should be interpreted but because they thoughtfully grappled with making sense of the bold constitutional experiment that the former colonies were making and, in this case, their words hold wisdom for those of us seeking to continue and preserve their experiment in constitutional self-government.
