## Eleanor Roosevelt

She had first been introduced to the alley-dwellings of the capital city where many impoverished families had made their homes when she had first come to Washington in 1913, and trailed First Lady Ellen Wilson in her efforts to clear the city of the sub-standard housing. Labor: Eleanor Roosevelt was a strong supporter of labor unions, though she refused to be seen as a foe of industry.

## 63 Eleanor Roosevelt Quotes on Leadership, Education, and Overcoming Your Fears

Directly she attacked those who mocked her interest. Her presence was felt the minute she came into the room. There were these two drunken and really dangerous uncles, one of whom used to shoot at the neighbors and even at the children with a shotgun from the upstairs window.

## Roosevelt

The sooner we learn what it entails, the sooner we can dissolve our fear.

## Biography of Anna Eleanor Roosevelt

March 18, 1909 - November8, 1909 ; Elliott Roosevelt September 23, 1910 - October 27, 1990 ; Franklin D.

## Eleanor Roosevelt

Hickok was ultimately able to find some stability within her family in 1909, when she left South Dakota to meet Ella Ellis, a cousin whom she called Aunt Ella, in.
