## Living the Good Life: How to Live Sanely and Simply in a Troubled World by Helen Nearing

He was not sexually active.

### How to find meaning in life: Psychology identifies 4 key pillars

While this may have been a little dry, it was a very fast read and I think it's important to learn more about this. This is a fascinating account of the Nearings' efforts to live off the land, as simply as possible and in a communal spirit during the 1930s through the 1950s. They would have loved to set up a communal way of life with other like-minded folks, but ran into the typical problems of anyone set on such an endeavor.
