## India Maps & Facts

A long mountain chain, the Western Ghats, separates the verdant coast from the Vindya mountains and the dry Deccan plateau further inland.

## India news

India's puzzleboard of 26 states holds virtually every kind of landscape imaginable. The narrow channel of Palk Strait and the Gulf of Mannar separates the island nation of Sri Lanka from the Indian mainland. Every aspect of the country presents itself on a massive, exaggerated scale, worthy in comparison only to the superlative mountains that overshadow it.

## India news

Though it rains nearly every day, the downpour tends to come and go quickly, leaving behind a clean, glistening landscape. This creates a phenomenon known as the south-west monsoon, and it brings heavy rains to the west coast. It begins with the panhandle of Jammu and Kashmir, a dynamic area with terrain varying from arid mountains in the far north to the lake country and forests near Srinagar and Jammu.

## India Postal Codes

West India contains the states of Gujarat, Maharashtra, Goa, and part of the massive, central state of Madhya Pradesh. Numerous rivers drain the land and the extensive floodplains are mainly formed by three river basins — the Indus, the Ganges and the Brahmaputra. How to find a Postal Code Each administrative division maintains its own postal code for mail delivery purposes.

## India news

It is one of the world's most ethnically diverse countries. In addition to the two monsoons, there are two other seasons, spring and autumn.

## India news

The highest point in India is Mount Kanchenjunga which rises to 28,208 ft. Falling south along the Indus river valley, the North becomes flatter and more hospitable, widening into the fertile plains of Punjab to the west and the Himalayan foothills of Uttar Pradesh and the Ganges river valley to the East. Covering a total land area of 3,287,263 sq.

### **India Postal Codes**

To the southeast is southern Uttar Pradesh and Agra, home of the famous. Cramped between these two states is the capital city, Delhi.

### **India Postal Codes**

The states are: Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Goa, Gujarat, Haryana, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Odisha, Punjab, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand, and West Bengal.
