BBC journalists should try to avoid using terminology favoured by one side or another in any dispute. Human Rights Watch interviewed workers at embassy shelters, a Kuwaiti government shelter, a local hospital, a government deportation center, a labor recruitment agency, local churches, and a villa where migrant workers rented rooms. In comparison, the three countries with the next highest foreign-born populations, Saudi Arabia, Germany, and the Russian Federation, are home to 12 million migrants each.

Spiritual and religious ties had been its most important aspects. Most women currently come from South or Southeast Asia, though a growing number of African migrants have entered the domestic service labor market.

Migrant Labour in the Gulf

May workers return to Kuwait, and if so, how much time must pass before they can legally return? The attachment of the population to the central power Sultans, Princes, Kalifas during Islamic history was based especially on religious and temporal ties of the allegiance *beyâa*, which was considered as a contract between the population and the governor. The Security Fence is being built with the sole purpose of saving the lives of the Israeli citizens who continue to be targeted by the terrorist campaign that began in 2000.
