## History of interior design

This eventually led to the age of eclecticism which drew these styles together to create personality and character.

## Architecture 19th Century: Characteristics, History

Spas and seaside resorts were popular, and homes were planned for leisure and to maximise the feeling of light and space.

## 11 Classic Decor Elements Every English Country Home Should Have

The Regency style was elegant, particularly the chairs, which were usually low some of them inspired by the Greek klismos , with curved backs, brass inlay and sabre legs. The Crystal Palace, designed by Joseph Paxton for the 1851 International Exhibition in London, provided a spectacular example of the possibilities of cast iron and glass that had worldwide publicity. Elizabethan 1558-1603 design was characterized by symmetry, regularity, and combinations of classical and Mannerist elements.

## English Renaissance (Tudor, Elizabethan, and Jacobean)

Early American Unlike the more formal style of the 18th C. European Influence Traditional interior design is inspired by 18 th and 19 th century European décor.

## English Renaissance (Tudor, Elizabethan, and Jacobean)

In building, new forms - factories, warehouses, railway terminals, administrative centres, hospitals - were demanded. Portraits, paintings, and armor were also used for decoration. Towers and battlements decorate facades.

## A Timeline of Lighting History

Regal Furniture There is nothing minimalist about traditional interior design, and the furniture is no exception.
