

Writers world - sentences and paragraphs

Pearson/Prentice Hall - Writing effective sentences: long vs. short sentences

WRITING Examples of fair trade

- Read fair paragraph about fair trade. Which sentence(s) gives...
 - a) the main point?
 - b) the support?
 - c) an example?

(1) The fair trade movement improves the lives of people in the developing world.
 (2) It is a way of trading that respects the environment and the workers in developing countries.
 (3) One example of this is Amazon, a farmer in South America, who was given a payment and a loan to start his own business. (4) This meant he could calculate his profit accurately and, as a result, never had to request for more money.

2010/11/10 Supporting a series of points

When you are presenting a written argument, include:

 - the main point in a single sentence, e.g. Fair trade should be supported
 - support, e.g. It helps small producers in the developing world
 - examples, e.g. A coffee co-operative in Mexico started a public bus service in the village

Use expressions such as, for example, an illustration of this is ... one example of this is ...

 - Write a paragraph (100 words) supporting fair trade, using the points.

Fair trade

 - 1 main point
 - Encourages development of the local communities
 - Helps to reduce environmental damage
 - 2 support
 - Many fair trade producers use systems which allow the soil to recover naturally without chemicals
 - Producers of fair trade goods use their financial and technical expertise in their communities
 - Examples
 - A coffee co-operative in Mexico started a public bus service in the village
 - Producers of organic rice in Thailand use traditional techniques which do not use chemicals or poison the soil
