## Paintings

His emphasis on even light and geometry, with little depiction of surface textures, is brought out by comparing his works with those of , who left in the people, uneven floors, contrasts of light and such clutter of church furniture as remained in Calvinist churches, all usually ignored by Saenredam Pro memorie: Een Gouden Eeuw als erfenis. Zwolle Waanders Uitgevers , 1989.

## Early modern Netherlandish cartography

Instead Leggatt offers the possibility that the creator was Hieronymus Cruse. Like most of the professors, I teach my classes with the aid of slides and other analogue reproductions of works of art. Catalogue by Christian Tico Seifert.
