Jayne Adye: It's time to move beyond Brussels on financial services

Government and Opposition is one of the world's leading global comparative politics journals.

Review: Comparing Political Systems on JSTOR

The previous plans have also been mocked in the liberal-leaning media. It deals with the history, policy-making, and inter-governmental relations of local government, the NHS, quangos and the outposts of central government.

Review: Comparing Political Systems on JSTOR

This means that we publish papers dealing with any part of the world, and on any theme, to do with comparative politics, liberally defined.

Analysing Criminal Justice Policy

Networks are often portrayed as alternative forms of coordination to those of hierarchies and markets Thompson et al. The UK has also sought advice from Denmark on how the EU country crafted migration legislation domestically as well as signing removal agreements with third countries, something which has so far eluded the British government since their departure from the bloc at the beginning of the year. An ideal introductory text for students of politics and public administration and for anyone concerned with this part of the administrative machine of Britain.

Review: Comparing Political Systems on JSTOR

The policy has effectively eliminated illegal boat migration to the country. Brandon Lewis, the Northern Ireland secretary, will outline the approach in the Commons on Wednesday as government sources rejected claims it would amount to an amnesty for army veterans and paramilitaries.

Analysing Criminal Justice Policy

We treat people with respect and dignity.

UK in Talks with Denmark for Joint Migrant Holding Centre in Africa: Report

In the last month Rishi Sunak, Lord Frost, and Andrew Bailey, the Governor of the Bank of England, have all confirmed a deal on financial services equivalence with the EU somehow appears to be dead in the water. Thankfully, because the City of London is such a significant player on the world stage, the stalemate and lack of cooperation from the EU is never going to end the dominance which the UK has enjoyed for so long. It publishes over 2,500 books a year for distribution in more than 200 countries.
