NY: Boni and Liveright, 1927. As with several events in the author's life, there was heavy irony in the occasion. Театр Юджина О'Нила и американская режиссура 1920-1930-х гг.

Melodramadness of Eugene O'Neill 1934 by Virgil Geddes Brookfield Pamphlet #4

. There is a minor comedic flurry Cambridge Companions Online © Cambridge University Press, 2006 The early plays over the religious difference between Mat and Anna, then all three drink to their future, with Mat and Chris as shipmates, leaving Anna waiting at home for her men. In both plays the electric lights are used to demonstrate the discrepancy between a seemingly objective and acceptable motivation - the need to economize - and the underlying true reason, the subtext.

Eugene O'Neill

Finally, on 28 November 1914, the Public Speaking Section of the NCTE broke from its parent organization to form the National Association of Academic Teachers of Public Speaking NAATPS , later to become the National Association of Teachers of Speech NATS. A year later, however, the Washington Square Players reformed as the Theatre Guild.
