Territory: Land and Language in the Indigenous Short Story

Racism is alive and impacts us in many ways. She uses a variety of modalities including: emotion focused, mindfulness based interventions, trauma informed practices, CBT, DBT, Family-based, Emotion Coaching for parents, Gottman and Imago for Couples therapy.

Nêhiyawêwin Cree

I do not speak for anyone but myself and do not expect anyone to be grateful for my epiphany but I am grateful for it. Last year someone commented on social media that they were disappointed in the lack of Métis representation in the gallery, so I wanted to address it.

Cree kinship terms

Bearing in mind that Cree knowledge has been recognized in wildlife management strategies i.
