### Plutonium and Highly Enriched Uranium 1996: World Inventories, Capabilities, and Policies by David Albright

Where utilities possess or anticipate surplus stocks, further reprocessing of spent fuels should be deferred until a balance between supply and demand has been established. The Agreed Framework was undermined by a Republican Congress during Clinton's presidency, as Congress denounced the agreement with North Korea, imposed new sanctions on North Korea, and hindered the Clinton administration from providing the supplies to North Korea that were part of the Agreed Framework. For use in civilian reactors military HEU must therefore be blended down to civilian levels of enrichment.
