Sharh Ma'ani al-

Imam Tahawi stands out not only as a prominent follower of the Hanafi school but, in view of his vast erudition and remarkable powers of assimilation, as one of its leading scholars.

Muhabbat Mission International

This is the famous work by the Imam in which he rigorously studies all of the texts relating to each branch of fiqh and the positions of the Imams of the madhabs with respect to those rulings. The commentators say, however, that glass is dull in colour, though it has some lustre, whilst silver is white, and not so bright as glass.

Fatawa

Indeed, he had seen his uncle and teacher turning to the works of Hanafi scholars to resolve the thorny issues of Fiqh, drawing heavily on the writings of Imam Muhammad Ibn al-Hasan al-Shaybani and Imam Abu Yusuf, who had codified Hanafi fiqh. A pilgrim on hajj ifrad is not obliged to slaughter, though he may do so if he wishes. Ifrad According to some scholars such as the Shafii's, ifrad is performing hajj before 'umrah by entering ihram for hajj first from the designated miqat, finishing the rites of hajj, leaving Mecca for al-Hill to assume ihram for 'umrah and then performing its rites.

Fatawa

This led Imam Tahawi to devote his whole attention to studying the Hanafi works and he eventually joined the Hanafi school. Weight: 3865 In Stock : 1.
