How to Hand Quilt (with Video Tutorial!)

Not that I think that this will be a walk in the park. Just print out the template and start making your block using al light green, grey and white fabric pieces.

Quilt Now Magazine

We're very proud to have been part of such. The first photo shows me presenting the quilt with my son in the foreground. Shrinkage is agonizing after all that work! The first one was in Tasmania and the second in the goldfields and the Great Ocean Road in Victoria.

Quilt Now

This photo was taken on 9th October 2008. Please note that my camera ate the photos, so I'm doing these pictures on the finished quilt. I have only hand quilted 2 quilts so far and even though my stitches can be a little uneven, I love the look and the feel.

Free Quilt Patterns, Free Quilting Patterns

I have some unbleached muslin and wondered if I could use that instead of batting? I have never done this before and I was pretty confused till I found your wonderful work. Please share images that will help other visitors. What image formats and sizes are supported? The next steps is to decide where you would like your stitches to start.
