## The search for the perfect language redirect

And by the 18th century, Europe more or less gave up on this question and decided to, instead, try making a new language which would achieve the goal of universal harmony but which would be better than any language humanity had developed in use. For example, the popular search engine Google has its.

I did a double-check on my Nexus 10 Android tablet and my iPhone 5. The language changes automatically as soon as the link is clicked.

### Language settings

A scholarly look at a fascinating topic. I had to read it fairly slowly and take good notes.

## THE SEARCH FOR THE PERFECT LANGUAGE

Long story short, he got rid of the grubs in a weekend and the critters immediately found more bountiful lawns to dig up.

Entertaining, deep, intelligent and at times hilariously funny when it comes to all the erratic dead-end ideas and proposal that had been developed over the centuries. HarperCollins Publishers, United Kingdom, London, 1997. In Genesis 10:5, each tribe of humanity is said to speak its own language, and in Genesis 11:1, the whole earth was of one language and one speech; the modern Documentary Hypothesis says that these passages come from two different sources, yet for medieval Europeans this contradiction was at the heart of the world.
