Bicycling the Parkway

Please welcome on stage — The Blue Ridge Parkway! There is no ribbon of highway more ideal for cycling than the Skyline Drive and Blue Ridge Parkway — they both entice the senses and physically challenge the body.

Skyline Drive Scenic Highway

He ran across the road, but was too wily to be captured on film. Thanks, Sean Hi Sean, it all depends on where you are starting from in the North? Having said that, autumn is also the most visited time of the year thanks to the exuberant fall foliage here so mind the traffic. Backpackers have the Appalachian Trail for this sort of life-changing experience, but bicyclists have the Blue Ridge Parkway—a 469-mile ridgeline highway that follows the crest of the Southern Appalachians from Shenandoah National Park to Great Smoky Mountains National Park.

Bicycling the Blue Ridge

Riding on the Parkway is not for everyone. The path of Blue Ridge Parkway BRP was carefully carved to cut through the spine of Blue Ridge of the Appalachian Mountains. There are not many flat sections.

I will mention a few stops that we made but hey feel free to stop at random outlooks that you find along the way. Download offline Google Maps or cache the directions on your cell phone.

Bicycling the Parkway

Before we get into the number of days, you must know that it covers two states, Virginia and North Carolina. By far, the busiest periods for vehicle traffic are sunny, weekend afternoons. I have a cousin who is my age and retired late in 2014.
